WHY BUY A KIOTI ZX-DIESEL COMMERCIAL SERIES MOWER?

The KIOTI ZX-Diesel Commercial Series Zero Turn Mower will surprise and delight KIOTI fans with the components you've come to know and love. Powered by a 24.5 Horsepower / 3-Cylinder KIOTI diesel engine, this heavy-duty mower features direct drive transaxles, which makes it operable without a drive belt. Operators can choose from a 61 or 72 inch cutting deck, each equipped with a heavy-duty frame, a shaft-driven reinforced 7-gauge fabricated steel deck, and semi-pneumatic front casters. Offering best in class operator comfort with a premium rubber isolated 3-inch suspension seat and articulating front axle, the KIOTI ZXD provides reduced fatigue and a more enjoyable mowing experience all day long. Designed for efficiency, precision, and power, the ZXD Series brings operators a tough, durable mower with proven performance to make quick work of any large lawn or commercial mowing operation. Quality with the ruggedness you have come to expect.
